

Meridian Int'l Major Medical

Cheap! Cheap! Cheap! The rates for this individual international major medical insurance are the lowest we've found!

The Facts

*Today as never before, people are moving in and out of the US in large numbers. Our **Meridian** international major medical plan is ideal for either US citizens living abroad or qualifying foreign nationals living in the US.*

No state or country restrictions make the plan accessible worldwide. Plus, no zip code rating means low cost!

Your Market

Meridian is ideal for:

US citizens and foreign nationals living outside of the US between 14 days and 74 years old. Also, non-US citizens residing in the US who cannot purchase US health insurance due to residency or citizenship requirements.

This plan is available in all states.

Plan Highlights

- » Lowest rates in the international marketplace
- » PPACA regulations do NOT apply—no reduction in your commissions!
- » Issues up to age 74
- » Up to \$5,000,000 policy maximum (*Meridian Enhanced*)
- » Emergency medical and repatriation coverage included
- » Maternity coverage available with no waiting period
- » Wide range of deductibles, \$250 to \$10,000
- » Easier underwriting than domestic health insurance
- » Freedom to choose any doctor or hospital while overseas
- » Underwritten by Lloyd's, London, the world's oldest and largest insurance market, rated A (Excellent) by Standard & Poor's
